MARKETING PRACTICES BULLETIN – MPB030

16 TAC 45.121 Credit Law Requirements

Dear Alcoholic Beverage Industry Members:

This bulletin is intended to announce amendments to 16 TAC 45.121 Credit Law Requirements.

Due to a combination of factors, specifically Sunset recommendations, agency strategic plan management goals and HB2560, the commission adopted changes to 16 TAC 45.121 on July 28, 2009, with an effective date of September 5, 2009.

Primary changes to credit law requirements are as follows:

- Industry will be required to submit notices of default and notice of payments through the commission's web-based reporting system.

The web-based reporting system is accessible through the TABC website at <https://www.tabc.texas.gov/tabcinternetlogin/login.aspx>.

TABC will provide regional training seminars to assist the industry in acclimating to the new system. Dates and times for the training seminars will be published on the TABC website.

- Retailers may view pending notices of defaults from the delinquent date through the publication date on the commission's public inquiry system.
- Notices of defaults may be entered from the delinquent date through the day before the publication of the delinquent list.
- The publication and effective dates will be one in the same.

Delinquent List for the delivery period of the 1st – 15th will be published
P.O. Box 13127 • Austin, Texas 78711-3127 • (512) 206-3333 • www.tabc.state.tx.us

An Equal Opportunity Employer

and effective on the 5th of the following month.

REPEALED

Delinquent List for the delivery period of the 16th – end of the month will be published and effective on the 20th of following month.

- Sellers may accept payment of any form prior to the statutory delinquent dates of the 10th and 25th of the month. Sellers may only accept cash or cash equivalent as payments after the statutory delinquent dates of the 10th and 25th of the month.

It will be a violation of the credit law requirements if a seller accepts a payment other than cash or cash equivalent after the delinquent due date. [The commission may consider mitigating or aggravating circumstances to determine the appropriate sanction.]

Product purchased from the 1st – 15th may be paid for with any form of payment through the delinquent date of the 25th. Payments made after the 25th and up to the day before the publication date of the 5th must be paid in cash or cash equivalent.

Product purchased from the 16th through the end of the month may be paid with any form of payment through the delinquent date of the 10th. Payments made after the 10th and up to the day before the publication date of the 20th must be paid in cash or cash equivalent.

- The commission will pursue administrative action for violations of the credit law requirements. The commission may consider whether violations are the result of a cascading event or single incident

It should be noted that the initial act of being delinquent will be considered a violation under the new rule.

An administrative letter will be sent to all retailers for the first six acts of being delinquent. The commission will not impose an administrative penalty or suspension until the 7th and subsequent delinquent acts.

All notices of defaults for the respective delivery period must be made to the commission prior to the publication of the delinquent list. Any notice received after the publication date will be considered as reported late and will be subject to administrative action.

- We will allow an adjustment period through January 2010 before implementing the administrative process. This will enable the industry to make necessary changes to their business practices.

- The following statutory changes went into effect on May 20, 2009, as a result of House Bill 2560. This law has no grandfather clause attached to it.

The commission or administrator may not accept the voluntary cancellation or suspension of a permit or allow a permit to be renewed or transferred if the permit holder is delinquent in the payment of an account for liquor under this section.

- A person whose permit is canceled by the commission or whose permit has expired is not eligible to hold any other permit or license under this code until the person has cured any delinquency of the person under this section.

To ensure a smooth transition from the current process to the new system all notices of defaults and notices of payment prior to September 1, 2009, will still need to be faxed, emailed or mailed to the commission for manual processing.

The commission will closely monitor and review the effect of these changes on the industry throughout the adjustment period. We hope this notification will assist you in evaluating your business practices and making necessary changes to adapt to the provisions of the new rule.
